NHGC Members

Please be advised, that our plan is to begin our competition schedule in June. Due to the current situation, we have moved earlier scheduled events further back in the schedule, also cancelling any that would generate large gatherings. Events may be subject to change as we move along. We will keep all members updated, visit our website message board for all current information. We have added a few fill-ins in mid-June, (6/13 and 6/20 weekends), to test our event system that we will be using in 2020. This is to include the scoring sheets being placed outside on the board across from the Pro Shop. At the conclusion of play, designate a member of the group to post the scores. The sheets will be clearly marked for posting gross and net scores. Handicap information sheet will also be posted, players handicap on that sheet is to be used. Hold onto the scorecard, Committee will reach out if verification is required. Additional information will be posted on our web site and on the information board as the event date draws near.
